A Message From The Principal

World Teacher's Day

Australia celebrated the teaching profession on World Teachers' Day on Friday 27 October 2023.

We celebrated our teachers for their skilled work in educating, inspiring and supporting our students. Staff enjoyed a morning tea and were given flowers to celebrate their hard work and dedication to our students at Lang Lang Primary School.

2024 Foundation Transition Program

We had a very excited group of 2024 Preps come for their first transition visit on Thursday. Our prospective students enjoyed a range of activities including: a tour of the school, stories, drawing and writing their names!

Our chaplain, Julie, also ran a session for our new parents on the Well-being supports in place at the school and other services the school can refer students to receive further support.

New Bus Shelter

You may have noticed that we have had a new outdoor undercover space completed this week. We can't wait to start using the new shelter at recess and as an outdoor learning space. It will provide both shade and weather protection for our students to enjoy play and learning.

Book Character Dress up and Special Person Day

What a wonderful turn out we had for our special person day! Our visitors were treated to all the amazing costumes students and families had worked on and got to visit our classrooms for games and activities.

It was a lovely day enjoyed by everyone! Thank you to all the special people, parents and other family members that came along to make this day special for our students and school community.

Australia Post Colouring Competition

A big thank you to the local post office for running a colouring competition that many of our students took part in. Students were very excited about receiving their awards at our assembly on Monday.

Principal
