

26th May, 2020

Dear Prospective Families,

At Lang Lang Primary School we pride ourselves on our "Best Start" transition program that we run every year to support our new Prep students and their families. This 6 week program provides children with an opportunity to further develop and practise the skills necessary for school. It is designed to make sure your child is fully supported in their transition between kinder and primary school. It is also designed to be a supportive transition for families. Parent information sessions enable our families to become familiar with the routines of our school prior to the start of the school year.

With the current restrictions in place due to COVID-19 we are not yet able to confirm the details for our 2020-2021 Best Start Program including parent information sessions. We ask that all our families complete the initial enrolment form (available on our website) or full enrolment form (included in our information packs) and once we have your details we will keep you informed of updates to the program.

Please do not hesitate to contact us if you have any queries or require further information.

We look forward to welcoming you to our learning community.

Kind regards,

Sharon Mitchell
Principal
