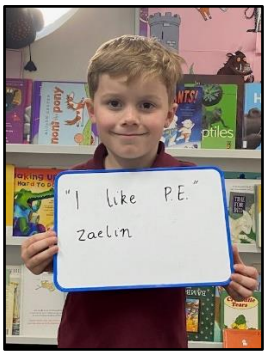
Acting Principal

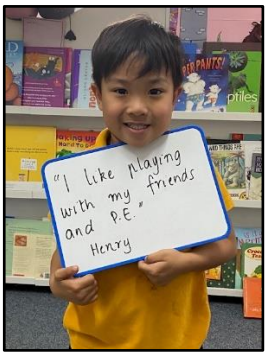
Hi! My name is Cathryn Speed and I will be the Acting Principal this term. I have worked in education for over 20 years and have been an Assistant Principal at Wilandra Rise PS in Clyde North for several years. My role there is in Wellbeing and Inclusion.

I would like to congratulate Nicole Smith who was recently appointed as the new Principal at Officer Primary School. I would also like to acknowledge the contribution she has made during her time at Lang Lang PS and wish her all the best in her new role.

It has been a wonderful start to the term. I have been visiting classes and getting to know the staff and students. I have received a warm welcome and really appreciate being greeted with friendly faces. It is a privilege to be in this role and I am looking forward to getting to know more about the school and community.

I asked some of our Prep students to tell me what they liked about school. Here are their answers.





We will be sending out fortnightly newsletters this term, giving us the chance to share many of the amazing events happening at school.

ANZAC Day

Last Thursday we held an assembly to commemorate ANZAC Day. This year marked the 110th anniversary of Australian and New Zealand soldiers landing in Gallipoli. ANZAC day reminds us of the sacrifice these brave soldiers gave for us and encourages us to reflect on how fortunate we are today.

Our students showed great respect during the assembly as they listened to the words of our School Captains, Lilly and Cooper. The captains did a great job of leading the assembly and explaining the history of ANZAC day.

On Friday, Lilly and Cooper attended the Lang Lang Dawn Service, along with a number of other community members and groups. They demonstrated great respect when laying the wreath on behalf of the school. Thank you both for attending this special day, it was a pleasure to see you represent the school with pride and in such a respectful manner.

New Sandpit

We are very fortunate to have the support of the Lang Lang Mens Shed, who have built a new sandpit for us. The students love this new playground feature and especially enjoyed helping fill it with more sand. We are very grateful to them for their time and work and would like to express our thanks for contributing to our school.
