Week 6, Term 2, 2025

Respect Community Positive Relationships Positive Mindsets

Upcoming Events

Monday 9th June	King's Birthday Public Holiday
Thursday 12th June	5/6 Excursion to Beaconsfield Recreation Reserve

Dear Families,

We have continued to see a number of events and excursions taking place. It was great to see so many families attend our Science night last night, it was a wonderful event and everyone had lots of fun.

It's getting to that time of year where illnesses are spreading around quickly. At school we provide hand sanitiser and encourage students to use this. If your child is unwell, it is important to keep them at home so they can rest and recover. This also helps prevent the spread of illness.

We have also had some cases of head lice. Please make sure you check your child's hair and treat them if necessary. Health regulations require that where a child has head lice, they should not return to school until the day after appropriate treatment has started. This refers only to those children who have live head lice and does not refer to head lice eggs.

Keep reading for some of this week's highlights.

Have a great weekend,

Cathryn Speed

Cancer Council Biggest Morning Tea

Last week we held a 'Biggest Morning Tea' to raise money for the Cancer Council. Students enjoyed biscuits and fruit. Thank you to our fundraising committee who ran this event and prepared all the food. This event raised $113.55.

Sorry Day / Reconciliation Week

Monday 26th May acknowledges National Sorry Day. It is recognised as the National Day of Healing and is held in remembrance and reflection of the Stolen Generations. It is part of the ongoing efforts towards reconciliation between Indigenous and non-Indigenous Australians. Students learnt about the day as part of Reconciliation Week.

Students who identify as Aboriginal or Torres Strait Islander and our School Captains attended the Reconciliation Week event at the Cardinia Cultural Centre with other local schools. They watched some performances including a didgeridoo and some dances, played some games and participated in an art activity.

Year 5/6 Excursion – Victorian Space Education Centre

On Tuesday 27th May, Year 5/6 students attended the Victorian Space Education Centre. They had a 'Mars' experience where they could work in 'Mission Control' and observe the astronauts working in the Mars Australian Research Station. Students also explored the properties of static electricity. They used balloons and an assortment of common items (confetti, etc.) to explore the mysterious nature of electric charge. Students built a simple circuit which included an electric motor.

Year 5/6 Visit to the Aboretum

Year 5/6 students also visited the Aboretum where they undertook a tree scavenger hunt, then analysed and classified plant samples.

Division Cross Country

On Wednesday 28th May, 4 students attended Division Cross Country which was held at the Toomuc Recreation Reserve in Pakenham (Pakenham Football Ground). We are very proud of Dustyn, Ella, Nash & Jaxon who all ran in this event. What a great achievement!

National Simultaneous Storytime

On Wednesday May 21, LLPS joined over 20,000 locations to host a National Simultaneous Storytime event. Students loved 'The Truck Cat' and enjoyed experiencing the adventures of the main character - a cat that lives in a truck with its family. Now in its 25th successful year, National Simultaneous Storytime aims to promote the value of reading and literacy, and the value and fun of books.

Science Night

What a fun night! So many families turned up and explored lots of different science activities from paper planes to robots to floating and sinking. I'm not sure who had more fun, the adults or the kids! A huge thank you to Courtney Dalton for organising the event.
