Term 3	
Monday 21st July	First day of Term 2
Friday 25th July	Disco
Tuesday 12th August	Curriculum Day – no school

Dear Families,

This term has flown by, I can't believe there's only 2 weeks to go!

Our newsletter this week has a big focus on our local community. We are incredibly fortunate to have a number of very generous community groups who support the school. We thank them for their support and look forward to continuing to work together with them.

Next week we have some special visitors to our school. Groups from Lang Lang Pre School will be coming to visit our us and see what school looks like. We are looking forward to this visit and hope they have a great time here.

Have a great weekend,

Cathryn Speed

Rotary Club – Generous Donation

The Rotary Club have donated $1000 to the school. This will be used to support wellbeing programs within the school. We were lucky to have this presented by local members of the Rotary Club who attended our assembly last week.

Lang Lang Op Shop – Defib Machine

The local Op Shop recently donated $2000 for us to replace our defibrillator. We have had a defib here for many years, but it was no longer operating properly. Thanks to the Op Shop, we now have a new machine located in our sickbay. Having a defib onsite it means the school has the necessary equipment to deal with potential life-threatening situations or emergencies.

Bendigo Bank - New Sign Funding

As you are aware, we have had our new digital sign out the front of the school since the beginning of the term. It had a minor glitch, which has now been repaired and is back to looking fabulous again, enabling us to showcase our school. We would like to thank the Bendigo Bank who funded this for us. It makes such a difference, and really stands out as you approach the school.

To these very generous community groups, we can not thank you enough for your support. We really appreciate this and would like to acknowledge the difference your donations make, not just to our school, but in the wider community. Thank you!

Curriculum Day

The next curriculum day will be held on Tuesday 12th August. This is a student-fee day.

Enrolments and School Tours

We are continuing to receive requests for school tours and are very happy to offer tours to prospective families. Prep enrolments can be completed online. Parents/carers are encouraged to submit enrolments by Friday July 25, 2025.

If you have any kinder aged children and are planning to enrol them, please try to do this by this date.

Reports

Teachers have been extra busy writing and preparing end of semester reports. As part of student learning, teachers collect data and undertake a variety of assessments with students all throughout the year. This information is collated and put into end of semester reports. These are currently being finalised and will be published on Compass on the last day of the term. We look forward to sharing and celebrating your children's achievements with you.

Message from Koo Wee Rup Secondary College

KWRSC High Ability Program: Apply Now!

Koo Wee Rup Secondary College High Ability Program (HAP) caters for students who have above average academic ability and a high level of commitment to their schoolwork. HAP students are included in annual programs designed to encourage their creativity and competitive nature. Some experiences include guest speakers, excursions and enrolment in extension-based academic competitions.

The HAP program focuses on maximising opportunities for academically talented students to excel by placing them in a separate HAP class where they are surrounded by like-minded peers and encouraged to continue making growth in their studies. The curriculum is delivered at a faster pace and more sophisticated level so that students can move ahead to work beyond their expected level.

An Academic Excellence and Extension Learning Specialist exists to monitor and support the HAP students; and to liaise between the students, their teachers and families.

Applications for KWRSC Year 7 2026 HAP are open!

Interested students are invited complete an application form on the KWRSC website, which includes a written reference from their Year 6 teacher, Year 5 NAPLAN results, and their Year 6 semester one report. **Applications must be submitted by Friday 15th August 2025.** Please go to the KWRSC website to access this application form: https://www.kwrsc.vic.edu.au/teaching-learning/excellence-program/

Following this, students will be shortlisted and asked to undertake an academic online test at KWRSC, during school time in Term 4. (Date to be confirmed.)

Please contact Assistant Principal, Kathryn Henderson, at KWRSC (Kathryn.Henderson@education.vic.gov.au or 5997 1444) if you have any questions.
